# IFRA CONFORMITY CERTIFICATE

Sant Just Desvern, 3 November 2026

**Product:** MUSK KETONE

**Customer:** AROMOLOGY TRADING LLC

We certify that the above-mentioned product is in compliance with the Standards of the International Fragrance Associaton (IFRA) up to and including the 51st Amendment to the IFRA Standards (published June 2023), provided it is used in the following categories at a maximum concentration level of:

| Category | Level of use | Category | Level of use |
|---|---|---|---|
| Category 1 | Not restricted | Category 7A | Not restricted |
| Category 2 | Not restricted | Category 7B | Not restricted |
| Category 3 | Not restricted | Category 8 | Not restricted |
| Category 4 | Not restricted | Category 9 | Not restricted |
| Category 5A | Not restricted | Category 10A | Not restricted |
| Category 5B | Not restricted | Category 10B | Not restricted |
| Category 5C | Not restricted | Category 11A | Not restricted |
| Category 5D | Not restricted | Category 11B | Not restricted |
| Category 6 | Not restricted | Category 12 | Not restricted |

The concentration of a fragrance ingredient should not exceed the usual concentration of the fragrance compound in the finished product.

Due to the possibility of incidental oral ingestion from the use of the product in categories 1 and 6, an approved flavor material status as defined by the IOFI Code of Practice is required. Please note this certificate does not include this conformity check. A separate document is needed for such purpose.

It contains no substances restricted by IFRA standards and complies with the latest IFRA specification.

It may contain the following substances, for which a prohibition standard exists:

MUSK XYLENE < 0,1 %

This certificate provides restrictions for use of the specified product based only on those materials restricted by IFRA Standards for the toxicity endpoint(s) described in each Standard. It does not provide certification of a comprehensive safety assessment of all product constituents.

It is the ultimate responsibility of our customer to ensure the safety of the final product (containing this fragrance ingredient) by further testing if need be.

Please note this document does not guarantee the suitability of the material as an ingredient in fragances in the EEA. Statements such as REACH conformity may be required for such purpose.

This document is electronically generated and therefore it is not signed.
