Declaration

We hereby certify that Tonka Beans Resinoid – Brazil conforms to the principles of the International Fragrance Association (IFRA) Code of Practice – 51st Amendment.

Tonka Beans Resinoid naturally contains coumarin, which is subject to applicable IFRA Standards and regulatory limits in finished fragrance and cosmetic products. The material is not certified as unrestricted for direct use; the finished fragrance formulation must be assessed based on the actual coumarin level and total concentration used.

IFRA Recommendation

IFRA Category	Maximum Use Level
Categories 1–12	Use only at levels that ensure finished fragrance compliance with IFRA 51 st Amendment, especially restrictions relating to naturally occurring coumarin.

Important Note

This certificate applies only to the raw material supplied by Aromology Trading LLC. Finished product compliance remains the responsibility of the manufacturer. Batch-specific coumarin analysis is recommended where precise IFRA or cosmetic regulatory calculation is required.
