Declaration

We hereby certify that Turmeric Essential Oil – Ivory Coast complies with the principles of the International Fragrance Association (IFRA) Code of Practice – 51st Amendment.

Based on currently available information, Turmeric Essential Oil (*Curcuma longa*) is not subject to an ingredient-specific IFRA prohibition. However, as a natural complex substance, its use in finished fragrance compounds must take into account any IFRA Standards applicable to naturally occurring constituents that may be present, including trace regulated fragrance constituents where applicable. IFRA provides a searchable Standards Library for such assessments.

IFRA MAXIMUM USE LEVELS

IFRA Category	Maximum Permitted Level
Categories 1–12	No specific restriction for Turmeric Essential Oil under IFRA 51 st Amendment; use according to Good Manufacturing Practice and finished-formula IFRA assessment

Important Note

This certificate applies only to the raw material supplied by Aromology Trading LLC. It does not replace the requirement to evaluate the final fragrance compound against all applicable IFRA Standards, especially where other restricted materials or naturally occurring restricted constituents are present.
