| CAS Number     | 8016-96-4                                   |
| EC Number      | 282-490-8                                   |
| Product Type   | Natural CO <sub>2</sub> Extract             |

### Declaration

We hereby certify that Vetiver Oil CO<sub>2</sub> – Indonesia complies with the principles of the International Fragrance Association (IFRA) Code of Practice – 51<sup>st</sup> Amendment.

Vetiver root extracts and vetiver essential oils are not specifically restricted under the IFRA 51<sup>st</sup> Amendment. This material may be used according to Good Manufacturing Practice (GMP). The finished fragrance formulation must be assessed for compliance with all applicable IFRA Standards, including those relating to naturally occurring constituents.

### IFRA Recommendation

| IFRA Category   | Maximum Permitted Level                                                                           |
|-----------------|---------------------------------------------------------------------------------------------------|
| Categories 1–12 | No specific restriction for the raw material. Use according to Good Manufacturing Practice (GMP). |

### Important Note

This certificate applies only to the raw material supplied by Aromology Trading LLC and does not replace the requirement to evaluate the finished fragrance formulation for compliance with the latest IFRA Standards.
