Declaration

We hereby certify that White Champaca Absolute complies with the principles of the International Fragrance Association (IFRA) Code of Practice – 51st Amendment.

White Champaca Absolute is not subject to an ingredient-specific IFRA prohibition. However, because it naturally contains fragrance allergens and trace naturally occurring restricted constituents (depending on origin and extraction), it should be used in accordance with Good Manufacturing Practice (GMP). The finished fragrance formulation must be evaluated for compliance with all applicable IFRA Standards.

IFRA Recommendation

IFRA Category	Maximum Permitted Level
Categories 1–12	No specific restriction for the raw material. Use according to Good Manufacturing Practice (GMP) and evaluate the finished formulation for IFRA compliance.

Important Note

This certificate applies only to the raw material supplied by Aromology Trading LLC. It does not replace the requirement to assess the finished fragrance for compliance with the current IFRA Standards.
