| EC Number        | 297-649-7                                                 |
| Product Type     | Natural Essential Oil                                     |

---

### Declaration

We hereby certify that Wild Opoponax Essential Oil conforms to the principles of the International Fragrance Association (IFRA) Code of Practice – 51<sup>st</sup> Amendment.

Wild Opoponax Essential Oil is not specifically prohibited or concentration restricted under the IFRA 51<sup>st</sup> Amendment. It may be used according to Good Manufacturing Practice (GMP). The finished fragrance formulation should be evaluated for compliance with all applicable IFRA Standards, including naturally occurring restricted constituents where relevant.

### IFRA Recommendation

|                 |                                                                              |
|-----------------|------------------------------------------------------------------------------|
| IFRA Category   | Maximum Use Level                                                            |
| Categories 1–12 | No specific restriction. Use according to Good Manufacturing Practice (GMP). |

### Important Note

This certificate applies only to the raw material supplied by Aromology Trading LLC. Compliance of the finished fragrance formulation with the current IFRA Standards remains the responsibility of the manufacturer.
