Alpha-Isomethyl Ionone	Not present
Evernia Prunastri Extract	Not present
Evernia Furfuracea Extract	Not present

---

### **Statement**

The allergens listed above are naturally occurring constituents of the essential oil where indicated and are not intentionally added.

The concentration of individual allergens may vary from batch to batch due to the natural origin of the material.

For finished cosmetic products, it remains the responsibility of the manufacturer to determine whether allergen declaration on the product label is required under the applicable legislation based on the final concentration in the finished formulation.

---

### **Storage**

Store in tightly closed original containers.

Protect from heat, light, and moisture.

Recommended storage temperature: Below 25°C.

---

### **Declaration**

This declaration is based on current supplier information, available analytical data, and knowledge of the natural composition of the material at the date of issue. It is provided in good faith for regulatory guidance and does not constitute a product specification or guarantee of exact allergen concentrations.
